

CLEANING

C: Crypton Cleaning - Crypton fabrics are available in various fiber types, and all Crypton fabrics can be cleaned with soap and water. For the best cleaning solution, use CRYPTON UPHOLSTERY CLEANER, available from Mayer Fabrics.

W: Water-Based Cleaner - Spot clean, using the foam only from a water-based cleaning agent, such as a mild detergent or non-solvent upholstery shampoo product. Apply foam with a soft brush in a circular motion. Always rinse promptly with clean water. Vacuum when dry. Pretest small area before proceeding.

BC: Bleach Cleanable - 1 parts bleach, 9 parts water = 10% bleach, 90% water solution. Do not clean / disinfect fabric for longer than 10 minutes using the 10% bleach solution. Always rinse promptly with clean water after applying the bleach solution. Failure to do so will void any and all warranties.
